

TWENTY YEARS AGO

The matron looks sadly at the portrait of herself, taken some twenty old years ago when she had just stepped from maidenhood to wifehood. The years slip back as she gazes. It seems but yesterday when she was crooning to her first little one. What great changes came to her with marriage and maternity. But they were happy changes, which brought her the growing love of husband and children. Now she is facing another change, which because of its radical character is named the change of life. She feels depressed, unhappy. She recalls stories she has heard of women who at this time become mentally morbid, as well as physically miserable. Her own feelings seem to forecast such an experience for herself, and her very anxiety serves to aggravate her condition.

The turn of life is a troublesome time for almost all women. In some cases the disposition is seriously affected or the mind unbalanced. In others this period is marked chiefly by physical suffering, great nervousness and mental irritation. In almost all cases the use of Dr. Pierce's Favorite Prescription is essential for womanly health and comfort. At this period even if the physical suffering is not great, it is too great, however small, to be borne unnecessarily, when the use of Dr. Pierce's Favorite Prescription would give physical health and mental cheerfulness. In extreme cases of physical suffering or mental disorder, the great worth of this medicine is amply proven. J. S. Carlisle, Esq., of Manchester, Coffee Co., Tenn., Superintendent of Coffee Co. Asylum, writes: "Favorite Prescription" and "Pleasant Pellets" are the best medicines for the diseases for which they are recommended that I ever used. They saved my wife's life at the time of change of life. I also cured the worst case of lunacy we ever had with your 'Favorite Prescription.' The case had been under the doctor's care three years. I used your medicine seven or eight months and the patient was as well as ever she was in her life."

Such cures testify to the efficacy of Dr. Pierce's Favorite Prescription in extreme cases. Its effect in the average cases of change of life is illustrated in the following testimonials.

Mrs. M. Barnes, of Balls Ferry, Shasta County, Cal., writes: "My physician said I was suffering from the effects of 'change of life.' I had heart disease and uterine trouble and rheumatism. My head was so dizzy I could hardly stand up. When I began to use Dr. Pierce's medicine I improved right along. I took seven or eight bottles of the 'Favorite Prescription,' a teaspoonful three times a day, and the 'Pleasant Pellets' at night. I feel as well as I ever did. The 'Favorite Prescription' cured me after I had been sick for two years so I was hardly able to be about."

"About five years ago I had very poor health," writes Mrs. S. E. Whalen, of Holden, Johnson Co., Missouri. "After doctoring four years with our town doctors they gave me up; said they had done all they could. I had such pains in my back and abdomen I could not stand on my feet for more than a few minutes. My feet were cold or burning, and my periods came too often. The doctors said it was change of life, so, as I had heard of Dr. Pierce's medicines, my husband got me a bottle of 'Favorite Prescription.' I took it and it helped me in some ways, Medical Discovery, and the 'Pleasant Pellets,' as I was constipated all the time, and pills would weaken me so that I would have to go to bed. To the great surprise of everybody I got well. Have had no use for doctors since I tried your medicine."

"Favorite Prescription" meets every requirement of the womanly organism at every stage of life. At that critical period when the girl becomes a woman, its use establishes regularity. When maternity is in view it is the one medicine for woman's use, giving great physical strength and comfort, and making the baby's advent practically painless. It dries the disagreeable drains which undermine the strength, heals inflammation and ulceration, and cures female weakness.

Sick women are invited to consult Dr. Pierce, by letter, free. All letters are held as strictly private and sacredly confidential. Address Dr. R. V. Pierce, Buffalo, N. Y.

A HEALTHY LIFE and how to live it, diseases and how to cure them, obstacles to health and how to overcome them, are only some of the subjects discussed in Dr. Pierce's Common Sense Medical Adviser. This great work, containing 1008 large pages, is sent FREE on receipt of stamps to pay expense of mailing ONLY. Send 31 one-cent stamps for the cloth-bound volume, or only 21 stamps for the book in paper covers.

Widow of Late J. W. Mackay Suffering From Strain of Husband's Death.

NEW YORK, Aug. 2.—Mrs. John W. Mackay is suffering severely from the strain of the past few weeks, according to a World dispatch from London. Twice there has been a consultation of doctors. Her mother, Mrs. Hungerford, the latter's sister, Baroness Telfener and Mrs. Mackay's daughter, Princess Colonna, have left for France and Italy, but C. W.
